2nd World Masters Athletics  
Championships Indoor

15.-20. März 2006

## RESULTS

## Dear Friends of Masters' Athletics,

it was really a pleasure to host the 2nd World Masters Athletics Championship Indoor from 15<sup>th</sup> to 20<sup>th</sup> March 2006. In addition we also organised the first World Championship Winter Throwing and the Non Stadia World Championship for Half Marathon, Cross Country and 10k Road Race Walking.

As being the Director of LOC I must deeply thank my whole team. Some started working two years ago and but finally more than 200 persons have been on site nearly around the clock for 6 competition days. The cold and snowy weather for the Outdoor Events did not prevent the team members to organise wonderful championships. And our Arena was the location for superb indoor events.

There was so much positive feed-back during the championships and the weeks after we have received from the athletes who came from all over the world to this event.

We hope that you have enjoyed your stay in Linz and your competition in our town. Congratulations to all participants who gave the proof that masters' athletics is a growing part of the sports family.

We are now looking forward to your coming back to our city – for business, pleasure or competition.

All the best for your future and nice greetings from Linz,

Percy Hirsch

Director of Local Organising Committee (LOC)
